## Hi-Viz Trousers Comments

ALWAYS HAVE TO ORDER THEM 2 SIZES TOO BIG TO GET FLEXIBILITY - WHICH MAKES THEM TOO LONG IN LEG.

OPEN ANKLE WITH VELCRO MORE USABLE (AS WITH PREVIOUS ISSUES) - EASE OF PUTTING ON OVER BOOTS.

DID NOT WEAR OPERATIONALLY.

TROUSER LEGS ARE TOO TIGHT MAKING THEM DIFFICULT TO REMOVE WITHOUT TAKING YOUR BOOTS OFF FIRST, INCORPERATING A SPILT WOULD RESOLVE THIS.

SOME SORT OF ADDITIONAL OPEINING AT THE BOTTOM OF THE LEGS WOULD ASSIST WITH THEIR REMOVAL OVER BOOTS

WAIST OF TROUSERS PROVIDED CAME UP TO MY CHEST AND WAS TOLD THEY WERE THE SHORTEST AVAILABLE

SAME COMMENTS GO FOR THE TYPE OF MATERIAL THE OTHER HI-VIZ CLOTHING IS MADE FROM

THE TROUSERS COULD DO WITH BETTER ANKLE OPENINGS SO BOOTS DO NOT NEED TO BE TAKEN OFF BEFORE PUTTING ON.

I WOULD PREFER HIGH VIZ MARKINGS ON THE TROUSERS AND ZIPPED (HEAVY DUTY) AROUND ANKLES FOR EASE OF FITTING AND REMOVED OVER BOOTS)

OTHER THAN ELASTICATED WAIST - WHICH IS REQUIRED OVER TROUSERS, NO ISSUE.

BOTTOM OF LEGS ISNT WIDE ENOUGH

NOT WORN

NEVER WORN IN DUTY

BREATHABLE MATERIAL REQUIRED

UNABLE TO TRIAL AS TOO SMALL

BREATHABLE MATERIAL WANTED  
TROUSERS KEPT FALLING DOWN

BREATHABLE MATERIAL NEEDED  
UNCOMFORTABLE

VERY TIGHT WITH REMOVABLE KNEE PAD. MAY NEED ZIPS ON OUTSIDE TO GET THEM OVER BOOTS QUICKLY

LIKED STRIPE AROUND THE KNEE.  
MORE ROOM NEEDED AT THE BOTTOM

BOTTOM OF LEGS NEED OPENINGS

TROUSERS LOOK PROFESSINOAL BUT TOO HOT

NOT WORN

NEED DIFFERENT LENGTHS

NOT USED

I AM UNABLE TO ANSWER THIS AS I WASN'T ISSUED ANY.

DIDN'T USE

NOT WORN

## **Hi-Viz Trousers Comments**

I WOULD QUESTION WHETHER THE COST OF THIS GARMENT IS WORTHWHILE. WE DO ALREADY HAVE AN ISSUE OF THESE TROUSERS AND I HAVE YET IN ALL MY TIME HERE NEVER EVER SEEN A COLLEAGUE WEAR THEM FOR THEIR INTENDED USE IN CONJUNCTION WITH WORK.

DIDN'T HAVE CAUSE TO TEST THE HI-VIZ TROUSERS WATERPROOF QUALITIES.

FIND IT HARD TO COMMENT SUFFICIENTLY ON HI-VIZ TROUSERS AS I HAVE NOT HAD A TIME THAT I HAVE HAD TO WEAR THEM.

NEVER WORE ON DUTY - BASIC FIT OK THOUGH.

NOT USED

RARELY USED UNIFORM ITEM

GOOD IDEA BUT ONCE AGAIN HAVE NEVER SEEN ANY MEMBER OF STAFF WEARING HI-VIZ TROUSERS AT WORK. ONLY ON THE WAY TO AND FROM WORK ON THOSE WHO RIDE MOTORBIKES.

UNLESS WEATHER OF EXCEPTIONAL CIRCUMSTANCES I DON'T FEEL THESE TROUSERS ARE USEFUL.

NOT WORN

YOU GET TO HOT WHEN WEARING THEM FOR LONG PERIODS OF TIME. TOTALLY IMPRACTICAL WHEN TRYING TO PUT THEM ON WHEN GOING OUT ON A CALL.

DID NOT USE

TAKES TOO LONG TO PUT TEM ON. WOULD PREFER HI-VIZ BAND ROUND LOWER TROUSER LEG.

WASTE

UNABLE TO WEAR THE TROUSERS. LEGS ARE TOO NARROW TO PULL OVER BOOTS. HI-VIZ SHOULD BE INCOPERATED INTO UNIFORM TROUSERS.

SORRY NEVER WORE THEM

I DID NOT HAVE ANY OPPURTUNITY TO TEST THIS GARMENT BUT THE OVERALL FIT WAS SATISFACTORY.

THEY TAKE FAR TOO LONG TO PUT ON AND VERY VERY VERY FEW CALLS REQUIRE WATERPROOF TROUSERS SINCE YOU ARE RARELY OUTSIDE FOR THAT LONG.
