2010 UPLIFT TO AGENDA FOR CHANGE RATES OF PAY AND ALLOWANCES

The latest circular AfC 2/2010 from NHS Employers containing the 2010/11 rates of pay for staff on Agenda for Change terms and conditions is now available on the website at www.lasunison.com/pay. This circular has been issued to all NHS organisations in England, with similar circulars issued by the devolved administrations to employers in Cymru/Wales, Northern Ireland and Scotland.

The circular contains details of the following main changes:

- An increase of 2.25% to national salary scales;
- A flat rate increase of £420 to pay spine points 1 – 12;
- An increase of 2.25% to national recruitment and retention premia payable for qualified maintenance craftsmen and technicians;
- An increase of 2.25% to the minima and maxima value of high cost area supplements;
- A reduction in the length of Band 5 from nine to eight points by deleting the middle pay point and re-spreading the remaining points across the band;
- An increase in the value of pay point 23 by an additional 0.33%;
- An increase of 2.25% in the value of cash allowances payable for on-call work.

The circular identifies that the revised rates are payable from 1 April 2010.
