BRANCH BULLETINS UPDATE

The branch bulletins have been given a new look in order to make the notice stand out more and make it clearer to our members exactly what type of information we are trying to convey to you.

Each Branch Officer has a different coloured heading while Sector Reps will all use a yellow header and station and complex reps will be represented by a black heading.

Other Branch Officers and general messages from the branch as a whole will use the green general header.

Below are the new headers for your info:
