NOT RECEIVING NEWSLETTERS?

NOT RECEIVING BALLOT FORMS?

NOT RECEIVING IMPORTANT UPDATES?

It may be that we do not have your correct details. This may be because you have moved address recently and have not got round to telling us, or it could be there was a breakdown in communication between the national UNISON database and the LAS UNISON database. This could mean that you receive some communications from one source and some from another.

The good news is that we now have only one database and any changes that we make are immediately updated.

If you believe that we do not have your current details such as address, workplace or change of name then please let us know.

You can do this quickly and easily by either giving your correct details to your local rep who will forward them onto membership or by going online at WWW.LASUNISON.COM and following the link at the top of the screen.

Alternatively you can call UNISON DIRECT 6 days a week on 0845 355 0845.
